Mr. Sam Sung, Apple Store Manager
Apple Technology Company
401 Michigan Ave.
Chicago, IL 60611

Dear Mr. Sung:

I am writing to you in response to the help wanted sign in your store's window for a part-time sales representative. I would be a good candidate for this job because I am a people person, and a very good sales person. I also am very interested in apple products; I am very apple loyal, and wish to show my loyalty to your company.

I am currently attending Portage Northern High School, where I take a marketing class that teaches me how to make a proper sale and how to overcome objections. At your store I have noticed your employees are friendly, upbeat people who are great at problem-solving, and make great leaders. I think I would make a great candidate for the job, because I have been trained as a leader through my church group, Otsego Get Real Pathfinders. There I was a Teen Leader in Training, which involves leading meetings, planning campouts, and working through problems that occur. I would make a great sales representative because of these qualifications; I have also attached my resume, which showcases me achievements and work experience.

I appreciate your consideration for the part-time position as a sales representative. I can be reached at (269) 569-1573 any time after 3:00 p.m. to schedule an interview. I look forward to meeting you and further discussing my qualifications for this position.

Sincerely,

Brianna Quillin
